

2010 HC Festival Secret Personality is... The Marden's Lady!

The last thing in the whole world Birdie Googins (*aka the Marden's Lady*) expected - was becoming a super model! She's been called a phenomenon in Southern Maine; while *up North* she's an icon. Finding herself with the status of a super model does have its challenges such as: keeping her mascara from running while racing from the paparazzi!

But being a star also has its rewards, everybody and anybody she meets wants to speak with her. And that's a joy; walking around the world talking to strangers. Turns out she's wicked popular. She can't go through a toll booth without being asked, "*are you the Marden's Lady?*"

'Course as Birdie always says; "*hard for people sometimes, seeing me up close and personal. I'm much more glamorous in real life here aren't I?*" A lady at an Irving station once asked about the Marden's commercials; "*are you really having that much fun?*" The answer: absolutely!

Community Events Coordinator, Shelly Crosby, who has been corresponding with Birdie received this email about her commitment to the July 16th show which will start at 6:00 pm with the "*Wild Woods Band*" entertaining until 7:30 pm when Birdie will take the stage for a comedy show! Tickets are just \$10.00 for an evening of hysterical laughter and will go on sale April 1st at the Lincoln Town Office.

"First thanx so much for thinking of me, got the great pictures of your "kingdom." Look forward to working with you guys. I'd love to be involved with the 2010 Lincoln Homecoming Festival. We'll have a hoot!"

Just see what other sponsors are saying about the Birdie Googins comedy show...

—from Norway Business Association, Norway, ME: "Birdie Googins was everything we expected her to be, and much, much more! We laughed till we cried, and then we laughed some more! Her stories were hilarious, but her interaction with the audience was the true testimony of what she really is: a down home Maine girl who just wants to have fun! Her silly antics appeal to all ages. Ours was a sell-out show, a great fundraiser, and a wonderful evening of laughter."
