A comparison of the amount of time, personnel, and/or cost of runs within Lincoln to those to Winn and those to Chester:

Every call for us is unique in it's respective circumstances. In the interest of fairness, these examples were taken within the last 3 months, during fair weather conditions, and with easy access to the patient (off of a main road or easily accessible location.)

Lincoln: Average EMS call in town takes approximately 1 hour to fully complete. Sometimes significantly less depending on the circumstances of the medical event. For example, a recent call at Colonial Assisted living was dispatched at 0716hrs and the ambulance was in service at 0815hrs. *59 minutes.*

NOTE: Any out-of-town medical call activates the recall crew of 2 members. They are paid time and a half and a minimum 3 hour call in as agreed upon in the current collective bargaining agreement.

Winn: Our last EMS call in Winn was dispatched at 2032hrs and the ambulance was in service at 2123hrs. *91 minutes.*

Chester: One of our last EMS calls in Chester was dispatched at 0840hrs and the ambulance was in service at 0946hrs. *66 minutes.*
